

East Woodhay Village Hall

May and June 2024 Newsletter

Dear Village Hall User,

May was another busy month for your Community Hall.

1. New Users - Square One Physiotherapy and Newbury Dancers have now started offering therapy and classes (in that order!) at the Hall. Please get in touch with them directly if you are interested in their offers.

Pre-book to have your place confirmed by emailing
newburydancers@gmail.com
or phone Tracy on 07952751435

Venue: EAST WOODHAY VILLAGE HALL RG20 0AR.

Run by Jeff & Tracy Fryer

2. Community Events:

- Plant and Jumble Sale - The team that runs the Annual Flower Show held a very successful Plant and Jumble Sale in May. We're all looking forwards to the main event in August - there's still time to grow that winning vegetable!
- East Woodhay Fete - Congratulations to the St Martin's Guild team that ran the East Woodhay Fete this month. Despite some occasionally challenging weather, it was obvious that everyone had a great time listening to the Silver Band and Rock Choir, admiring the vintage cars (with envy) and simply browsing the various stalls and games. Your Committee provided a display about the Village Hall to keep the

marketing going and to highlight the possibility of winning a free weekend for a Wedding reception at the Hall.

3. The Meeting Room – As half of the Meeting Room is being used by Square One, we have decided to close the other half of the room. So, for the time being, the Meeting Room is not available for hire without specific Committee approval.

4. Free Wedding Reception Venue - The team continues to market the hall for the use of couples looking to host their wedding reception in our beautiful North Wessex national landscape! Our next goal is to take some great pictures of the hall decorated for a wedding, so that we can produce marketing materials. If you know of a couple looking for a 2024 venue, (we would like to offer it to them free of charge in return for photographs) please do get in touch.

You can find more details on our website : www.ewvh.org

5. Maintenance - You will have noticed a number of real improvements in the surroundings and fabric of the Hall itself. The new blinds are making a real difference and will be improved in the near future as they are made truly lightproof. There are also new, modern lights installed around the Hall to aid navigation once the nights start to draw in again. We are truly indebted to Matt Nevitt (www.appromatt.co.uk Tel: 07795 820349) who donated the equipment and his time to install this critical safety capability in such a professional and smart manner.

6. We know that the Summer is going to be a busy time for all of our Community and Hall users. If there is anything that you would like us to publicise on our Hall website, please get in touch with us.

With thanks,

East Woodhay Village Hall Management Team
